Step 3: Choosing your solicitor

When you are happy with the quotes from your chosen solicitor and are happy to proceed, please inform Offa to progress your application.

Step 5 Solicitor carries out legal work and searches

The chosen solicitor firm will:

- Confirm your identity and complete Anti-Money-Laundering checks
- Order and review local authority, environmental and other searches (for purchases)
- Review title and any existing charges
- Raise or respond to enquiries
- Comply with any conditions shown on our offer letter

Solicitors carry out their own searches and will advise you of any additional fees or timescales associated with searches.

Step 7 Completion

On the agreed completion date Offa releases funds and the solicitor completes the registration of the finance and any post-completion matters (e.g., registering the charge at Land Registry etc).

Step 4: Solicitor receives Finance offer (Offa instruction to proceed)

If your application is successful, your chosen solicitor firm will receive our offer and legal instruction through our portal. This is Offa's formal instruction to the solicitor to commence legal work on behalf of both parties, Offa and the client, on a dual representation basis.

What is dual representation?

Dual representation, often shortened to dual rep, describes when a single solicitor or firm acts for both the finance provider, in this case Offa, and the Applicant(s) in the same property transaction.

Step 6 Satisfying conditions & final checks

Once searches are returned and all conditions are satisfied, the solicitor notifies Offa that they are ready for completion.

Helpful FAQs

Question: How do I appoint a solicitor?

Answer: Before you apply, refer to the list of firms on our Solicitor's panel. Reach out to one or more firms to ask for a quotation. E-mail and phone numbers are provided. Once you have selected a firm, you will need to inform the firm that you wish to instruct them to act on your behalf. They will provide you with information on what to do next. Inform your broker or advisor of the name of the firm, and they will include it in the application.

Question: Who pays the solicitor's fee?

Answer: You will need to settle the conveyancing fees as directed by the firm or solicitor you have instructed. Refer to the list of solicitors on our panel here.

Question: Can I use a firm that is not on your panel?

Answer: Not at this time. Offa operates a closed panel of firms that specialise in these transactions. Please contact a firm from our panel and ask for a quotation.

For redemption of your finance, any solicitor can be used.
